#### **INACTIVE, LAPSED, LICENSED IN ANOTHER STATE:**

**Missouri has mandatory licensure.**

It is illegal to practice nursing in Missouri without a current Missouri license. A large number of persons who are posing as nurses are applying for employment in Missouri or are working in Missouri with lapsed licenses or inactive licenses. The Board office is asking for the assistance of those in administrative positions in facilities which employ nurses. This can be done by:

1. Hiring only people who can display a current license or temporary permit at the initial interview.
2. Developing a procedure for assuring currency of licensure and timely renewal for all licensed personnel.
3. Spreading by the word of mouth to reach those outside the arena of major employers of nurses.
4. When applicable, verifying that new graduates have passed the licensure examination and a license will be issued.

ALL NURSES MUST BE LICENSED IN MISSOURI, HAVE A CURRENT TEMPORARY PERMIT, OR FALL WITHIN THE EXEMPTION CLAUSE IN THE NURSING PRACTICE ACT WHICH STATES THAT NEW GRADUATES MAY PRACTICE UNDER PROPER SUPERVISION PENDING THE RESULTS OF THE FIRST LICENSING EXAMINATION SCHEDULED BY THE BOARD FOLLOWING GRADUATION.

#### **LPN/IV THERAPY COURSE POLICY**

"The maximum amount of theoretical instruction for the LPN/IV Therapy Course is not to exceed 8 (eight) hours per week." This policy was established by the Board at its regularly scheduled meeting on June 15, 1984.
